The Northern Review 44 (2017): 9–30The participation of the Yukon in the First World War is a neglected part of northern history. For four years, the people of the Yukon, young and old, men and women, from all walks of life, became actively involved. A quarter of the population enlisted and fought in many of the major battles of the war; many came back as heroes, while others never came home ...

"Everyone talks about the Goldrush. I'm interested in the gaps in history. The points in between," says Yukon writer Michael Gates, author of From the Klondike to Berlin. Published last month, this book is, perhaps surprisingly, the first to offer an in depth account of the Yukon's contribution to World War I.
