Celia 's trial is set to begin in October 1855. Around this time, a vigorous debate raged across America, concerning the morality of slavery. The previous year, Senator Stephen Douglas of Illinois lent his support to the Kansas-Nebraska Act, which would allow slavery to expand into new federal territories, provided that a majority of the residents vote for it.

Stacey's difficulties when he proposes (in Celia's Song) show the huge gap that separates them, as they move back and forth between an un-crossable distance and the promise of some kind of nascent understanding. Stacey thinks: "Living with him would require extra care; he's white, different. She has no way to frame that difference without offending him and jeopardizing the future of ...

Dred Scott v. Sandford was a legal case finding its way through the court system at roughly the same time as Celia's case. It involved a Missouri slave, Dred Scott, and was decided by the Missouri Supreme Court in 1852, three years before Celia's case. As such, it contributed to the environment in which Celia's case was heard, both in Missouri ...
