InDesign CS3 provides horizontal and vertical rulers and ruler guides to help you position and align text, objects, or graphics more precisely. As your needs change, you can choose to display, hide, move, and remove the rulers and ruler guides. For additional consistency and alignment, objects positioned near a guide can be "snapped to" the guide.

I installed my CS3 software from the original disc, and the programs are clearly installed, but they won't open (or open fully). I never even get to the step of entering my serial number to activate the software. Photoshop and Acrobat open, but then immediately freeze with the "Not Responding" message. Absolutely nothing happens when I try to open InDesign or Illustrator, although they appear ...
